Hi, my fellow learners, a lot of people in this group, I am learning Japanese. As one of my main tools, I use textbooks and workbooks. Genki, but the problem is, I don't have an answer key for the workbook to compare my answers, so I don't know if I'm making a mistake. So I can't learn from my own mistakes. I'm in great need for that answer key and no, I didn't find it through some internet searches (or at least it's not for genki 1 second generation), so if someone has, can you please send a link /file through this post?
